“Chiropractors Join Toys For Tots To Benefit Needy Children”

PRESS RELEASE GRAND JUNCTION, COLORADO: Family Practice chiropractors across the country are banding together this Christmas in support of the 56th annual **U.S. Marine Corps Reserve Toys for Tots** campaign for needy children.

On Friday, December 19, Roman Family Chiropractic will host a “Toys For Tots” day. The public is invited to attend between 8:00 a.m. and 11:00 a.m. and take advantage of free health and wellness information, free spinal screenings and chiropractic adjustments. New, unwrapped toys will be collected at 2232 N. 7th St. Suite 6 beginning Monday, December 1 through Friday, December 19. The toys will then be distributed by the U.S. Marine Corps between December 22nd and December 24th to the delight of hundreds of Grand Junction’s children.

Last year Roman Family Chiropractic collected over 400 toys for the children of Grand Junction; this year’s goal is 1000 toys,” said Dr. Roman. “In view of the economic downturn, it’s just one small way that chiropractors can continue to have a “hands-on” impact on health and social needs in our community,” he said.

Let’s help spread health and hope to Grand Junction’s needy children. If you would like to participate, please call Roman Family Chiropractic at 243-8896.
